

"THE WILLOWS"

Weekly

Week ending July 22, 2011

Volume 8, Issue 4

Dear Willows Parents and Campers:

We can't believe that four wonderful weeks have flown by.

This week's theme was "Butterfly Bonanza." The Polar Bears and Penguins created and decorated magnetic butterfly memo clips. In Ceramics, the campers enjoyed painting their clay hands and foot prints. All your children's projects will be sent home shortly. We are so excited for all the progress the children have made in

swimming. The swim reports will be sent home at the end of the summer.

With the weather extremely hot, we changed our schedule to include more indoor activities. This helped both the campers and counselors stay as cool as possible. Of course, we added additional swim periods and encouraged lots of water breaks to help everyone beat the heat.

Both groups have started practicing their "Puttin' on the Hits" dances. The children are excited about performing in front of the whole camp at the Best of "Puttin' on the Hits." The Polar Bears are dancing to "Magic" by B.O.B. and the Penguins are grooving to "Move It" by Baha Men. We will make sure to capture these memories.

We are looking forward to the next four weeks with your children. As a reminder, please remember to **label all items brought to camp** and wear yellow as much as possible.

Your Director, Suzy Riesenberg
